INVESTIGACIÓN Y COMPOSICIÓN DE LA IMAGEN

Barranquilla en los años 20: una época de auge y prosperidad, grandiosa arquitectura y vida en comunidad. La imagen transmite la añoranza de la Barranquilla del pasado, donde las calles hacían parte del disfrute en comunidad de sus habitantes, sin ser inundadas por el caos de una ciudad moderna.

WORKSPACE DESIGN

An elevated primary workspace module holds a desk, storage, & two vertical storage systems above, with a stone finish on the accent wall giving the user a sense of nature. Also this space is wrapped into the terrace.

LOFT BED SPACE

Sufficient loft level is provided above the kitchen area which can be accessible from the kitchen. It directly is linked with the left storage space over the bathroom area.

ENTRY FOYER

The curved walls at the entry incorporated with the living.

SLIDING HIDDEN BED

MB is used in the above paneling finished with lacquer paint also at sleep portion wood warmth under floor is used.

INTRODUCTION

When it comes to interior design, the most important aspect is to create a space that is both functional and aesthetically pleasing. This project aims to achieve that balance by incorporating modern design elements with traditional craftsmanship.

Throughout the design process, we have focused on creating a warm and inviting atmosphere that reflects the client's lifestyle and preferences. The final result is a harmonious blend of form and function.

ENGINEERING ACADEMY

In a Brutalist way

Typology: University (Academy)

Location: Madinet Nasr, Cairo

Category: Educational Architecture

Year: 2020

Softwares: Sketchup, Lumion & Photoshop

VISION

The aim of the Engineering Academy is to provide a comprehensive and immersive learning experience for aspiring engineers in the fields of architecture, civil engineering, and mechanical engineering.

In Embracing Brutalist Design: The project aims to showcase the raw and expressive nature of brutalist architecture. By utilizing bold, exposed concrete structures and a minimalist aesthetic, the Engineering Academy stands as an architectural statement that resonates with the discipline of engineering itself.
